Dear Sir/ Madam

**MSc (DENT): ORTHODONTICS. DR YUVTHI RAMPERSADH, STUDENT NUMBER 3412510: "THE PERCEIVED AND NORMATIVE ORTHODONTIC TREATMENT NEED OF A GROUP OF SOUTH AFRICAN CHILDREN"**

Dr Rampersadh has completed her thesis successfully. She has made some changes that were recommended by the examiners and both Professor Robert Barrie (co-supervisor) and I are satisfied that Dr Rampersadh can submit the final version of the thesis. She therefore full fills the requirements for the MSc Dent programme and can be awarded the degree Cum Laude.

Yours sincerely

**Professor Angela Harris**  
Supervisor
