

COMPLIMENTARY COPY

This Complimentary Copy is a sample of materials being tested in 16 pilot schools by about 3000 Swazi children (1st, 2nd and 3rd grades). Currently 37 units have been placed in the pilot schools. (siSwati, Maths, Science and Social Studies). These include Teacher Guides and Pupil Materials.

Revision and improvement of these 37 units will occur before the materials are approved for Swaziland's 460 Primary Schools.

Within several years materials for the seven Primary years will be designed, tested and published for use in Swaziland's Primary Schools.

These trial materials have been developed

at the

INHLOLONIPHO

phambuka, inkhokhelo, sigici, esikhotseni.

Tsine bantfwana bemaSwati siyahlonipha. Kuhltonipha sikufundziswa emakhaya. Asidzingi kufundziswa kuhltonipha esikolweni. Umntfwana nakangahloniphi uyashaywa.

Nasihlangana nemuntfu lomdzala endleleni siyaphambuka. Sicolela kuhamba esikhotseni. Siyabese siyema. Kuba ngitsi lesibingelelako. Sibingelela ngenhltonipho. Siyayekela futsi nekudlala.

Kuyenteka sihambisane nemuntfu lomdzala. Siyamtfwalisa nakatfwele. Ngekumsita asibheke nkhokhelo. Kufanana nekusita batali betfu. Sikhombisa kuhltonipha. Sikhombisa nekubonga.

Kumuntfu lomdvuna sitsi babe. Kulomsikati sitsi make. Noma angesiye umtali wetfu siyamhltonipha. Noma ngabe ngumuphi umuntfu lomdzala angakutfuma. Uma wala uyakushaya. Unalo lilungelo lekukushaya. Nebatali bakho bayajabula. Phela ufundziswa inhltonipho.

Bantfu labadzala nabahleti phansi asibameli. Sihlala phansi natsi. Kumbe singaguca ngemadvolo. Noma sikhuluma nalabadzala siyaguca.

Umntfu lomdzala nakakubita utsi, "Make, nobe Babe". Akudzingi kutsi umati kute umhltoniphe. Uhltonipha nobe ngangubani.

Tsine bantfwana asihlali nebantfu labadzala. Nabakulendlu siyaphuma siye kulenye. Sentela kutsi bacoce kahle tindzaba tabo. Umntfwana akatilaleli tindzaba tebantfu labadzala. Kunjalo nje bantfwana abambuki emohlweni umuntfu lomdzala. Nasikhuluma sibuka phansi.

Umuntfu lomdzala nakakhashane asimmemeti. Siya dvutane naye nasifuna kukhuluma. Sikhulumela phansi ngaso sonkhe sikhatsi. Nebuso betfu bufanele buhlale bumamatseka. Tsine siyakutsandza kuhlonipha.

LIKHAYA LAKITSI

sihonco, imicabo, lilawu, intsanga, bhadza.

Likhaya lakitsi ngumuti wababe. Likhaya lakitsi likhashane nesikolo. Nasiya esikolweni siwela imifula lemibili. Nalina litulu tsine kasiyi esikolweni.

Umuti wakitsi upahlwe tintsaba. Lihle likhaya lakitsi. Lihlala njalo lihlobile. Liteanyelwa ngimi nebanaketfu. Silitsanyela njalo ngemiGcibelo. Nasetindlini kuhlala kubobile. Kutsanyela make nabodzadzewetfu. Libala silitsanyela ngemahlamvu. Make yena unentsanyelo wekutsanyela tindlu takhe.

Likhulu likhaya lakitsi. Kunetindlu letinyenti tekulala. Bomake phela batsatfu. Bonkhe bapheka dladla linye. Kukhona nendlu yemathayela. Tindvonga tayo tasimende. Letinye tindlu tibhadywe ngeludzaka. Tifulelwe ngetjani futsi. Babe unendlu yakhe. Kuyo kulala yena yedwana. Tsine bantfwana kasingeni. Babe utsi tsine siyangcolisa. Lendlu yakhe ihlala ihlobile. Lidladla lakitsi likhulu. Kuneliguma embikwelidladla lakitsi.

Kitsi kunebafana nemantfombatana. Bafana balala elawini labo. Emantfombatana alala entsangeni yawo. Lilawu lineliguma. Ligama lalo sihonco.

Khona nje ebaleni kitsi kunesibaya. Nasetingenile tinkhomo kuvalwa lisango. Lisango livalwa ngemicabo. Sibaya sakitsi sakhiwe ngemahlahla. Tinyenti tinkhomo takitsi. Babe utihlola njalo kusihlwa. Uyatibona natingakesutsi. Uyatsetsa nakabona tinkhomo tilambile.

Netimbali tikhona ebaleni kitsi. Tahlanyelwa nguzake. Utinisela njalo ekuseni. Uyatikha ahlobise ngato endlini. Uyatilahla nasetibunile.

Kunetinja letinkhulu letimbili. Tiyalumana letinja. Kwatsi shati sitfunti setisetulu. Futsi ungatsi tiyatjelena. Babe utitsengela ematsambo. Tikhuluphele tiyacwebetela.

Ngiyalitsandza likhaya lakitsi. Ngiyaye ngive buhlungu ekuseni nasengiya esikolweni. Pbela ngisuke ngiyakufundza. Sikhatsi sanyalo sifuna imfundvo. Umuntfu lofundzile usuke angiko konkhe.

SALUKATI NENGULUBE

Salukati satsi siyashanyela endlini yaso satfola zuka lomdzala logobile. Sakhuluma sodvwa salukati satsi "Hawu, ngingentani ngalemali lencane kangaka? Ngitawukuya emakethe ngiyotsenga ihontjana yami."

Satsi nasibuyako yala ingulube kungena ehhekeni. Sahamba salukati sahlangana nenja satsi enjeni "Yinja! Yinja!, luma lengulube, ingulube ayivumi kungena ehhekeni, ngitawufika ebusuku lamuhla ekhaya." Yalainja.

Sachubeka salukati sahlangana ndvuku satsi endvukwini, "Ndvuku! Ndvuku!, shayainja,inja ayivumi kuluma ingulube; ingulube ayivumi kungena ehhekeni, ngitawufika ebusuku lamuhla ekhaya." Indvuku yala.

Sachubeka futsi salukati, sahlangana nemlilo satsi, "Mlilo! Mlilo!, shisa lendvuku; indvuku ayivumi kushayainja;inja ayivumi kuluma ingulube; ingulube ayivumi kungena ehhekeni, ngitawufika ebusuku ekhaya lamuhla." Umlilo nawo wala.

Sachubechubeka futsi salukati sahlangana nemanti. Satsi emantini, "Manti! Manti!, cima lomlilo; umlilo ayivumi kushisa indvuku; indvuku ayivumi kushayainja;inja ayivumi kuluma ingulube; ingulube ayivumi kungena ehhekeni, ngitawufika ebusuku lamuhla ekhaya." Emanti nawo wala.

Sachubeka futsi salukati sahlangana nenkhabi, satsi, "Nkhabi! Nkhabi!, natsa lamanti; emanti akavumi kucima umlilo, umlilo kawuvumi kushisa indvuku; indvuku kayivumi kushaya inja; inja kayivumi kuluma ingulube, ingulube kayivumi kungena ehhekeni, ngitawufika ebusuku ekhaya lamuhla." Inkhabi nayo yala.

Sahambahamba salukati sefika esilaheni sakhandza indvodza itsengisa inyama, satsi "Ndvodza! Ndvodza!, hlaba lenkhabi; inkhabe ayivumi kunatsa emanti; emanti akavumi kucima umlilo; umlilo awuvumi kushisa indvuku; indvuku kayivumi kushaya inja; inja kayivumi kuluma ingulube; ingulube kayivumi kungena ehhekeni, ngitawufika ebusuku ekhaya lamuhla." Yala indvodza.

Sachubechubeka salukati sahlangana nentsambo satsi, "Ntsambo! Ntsambo!, lengisa lendvodza; indvodza kayivumi kuhlaba inkhabe, inkhabe kayivumi kunatsa emanti, emanti akavumi kucima umlilo, umlilo kawuvumi kushisa indvuku, indvuku kayivumi kushaya inja; inja kayivumi kuluma ingulube; ingulube kayivumi kungena ehhekeni ngitawufika ebusuku lamuhla ekhaya." Intsambo nayo yala.

Sahambahamba salukati sahlangana neligundwane satsi, "Gundwane! Gundwane!, juba lentsambo; intsambo kayivumi kulengisa indvodza; indvodza kayivumi kuhlaba inkhabe; inkhabe kayivumi kunatsa emanti; emanti akavumi kucima umlilo; umlilo kawuvumi kushisa indvuku; indvuku kayivumi kushaya inja; inja kayivumi kuluma ingulube, ingulube kayivumi kungena ehhekeni ngitawufika ebusuku ekhaya lamuhla." Ligundwane nalo lala.

Sachubechubeka salukati sahlangana nakati satsi, "Kati! Kati!, bulala naligundwane; ligundwane kalivumi kujuba intsambo; intsambo kayivumi kulengisa indvodza; indvodza kayivumi kubulala inkhabe, inkhabe kayivumi kunatsa emanti; emanti akavumi kucima umlilo; umlilo kawuvumi kushisa indvuku; indvuku kayivumi kushaya inja; inja kayivumi kuluma ingulube; ingulube kayivumi kungena ehhekeni, ngitawufika ebusuku ekhaya lamuhla." Likati latsi, "Ngingakwenta loko nawungaya lapha enkhomatini ungicelele lubisi ngenkomishi." Sahamba salukati saya enkhomatini.

Inkhomati yona yatsi kuso, "Nawungangipha nabuya tjani lobuhle ngitakunika lubisi." Sahamba salukati ngekushesha sesiyofuna tjani benkhomati.

Yatsi inkhomati ingabudla tjani, yanika salukati lubisi. Salukati satsatša lubisi sayonika kati. Watsi kati anganatsa lubisi, walisukela ligundvwane; ligundvwane lacondza entsanjeni; intsambo yasukela indvodza; indvodza yatsatša sikhali yasukela inkhabi; inkhabi yacala kunatsa emanti; emanti acala kucima umlilo; umlilo washisa indvuku; indvuku yashayainja; injayaluma ingulube; ingulube yesuka ligonso yangena ehhekeni. Salukati sefika ebusuku ekhaya ngalelolanga.

KUNGEVA KUBI

Engzaweni letsite bekukhona umuti. Bekungumuti waka-
Fakudze. Fakudze abenebantfwana lababili. Bekuyintfombatana
yinye nemfana munye. Libito lentfombatana bekungu Tfobhi.
Libito lemfana bekunguSitsembiso.

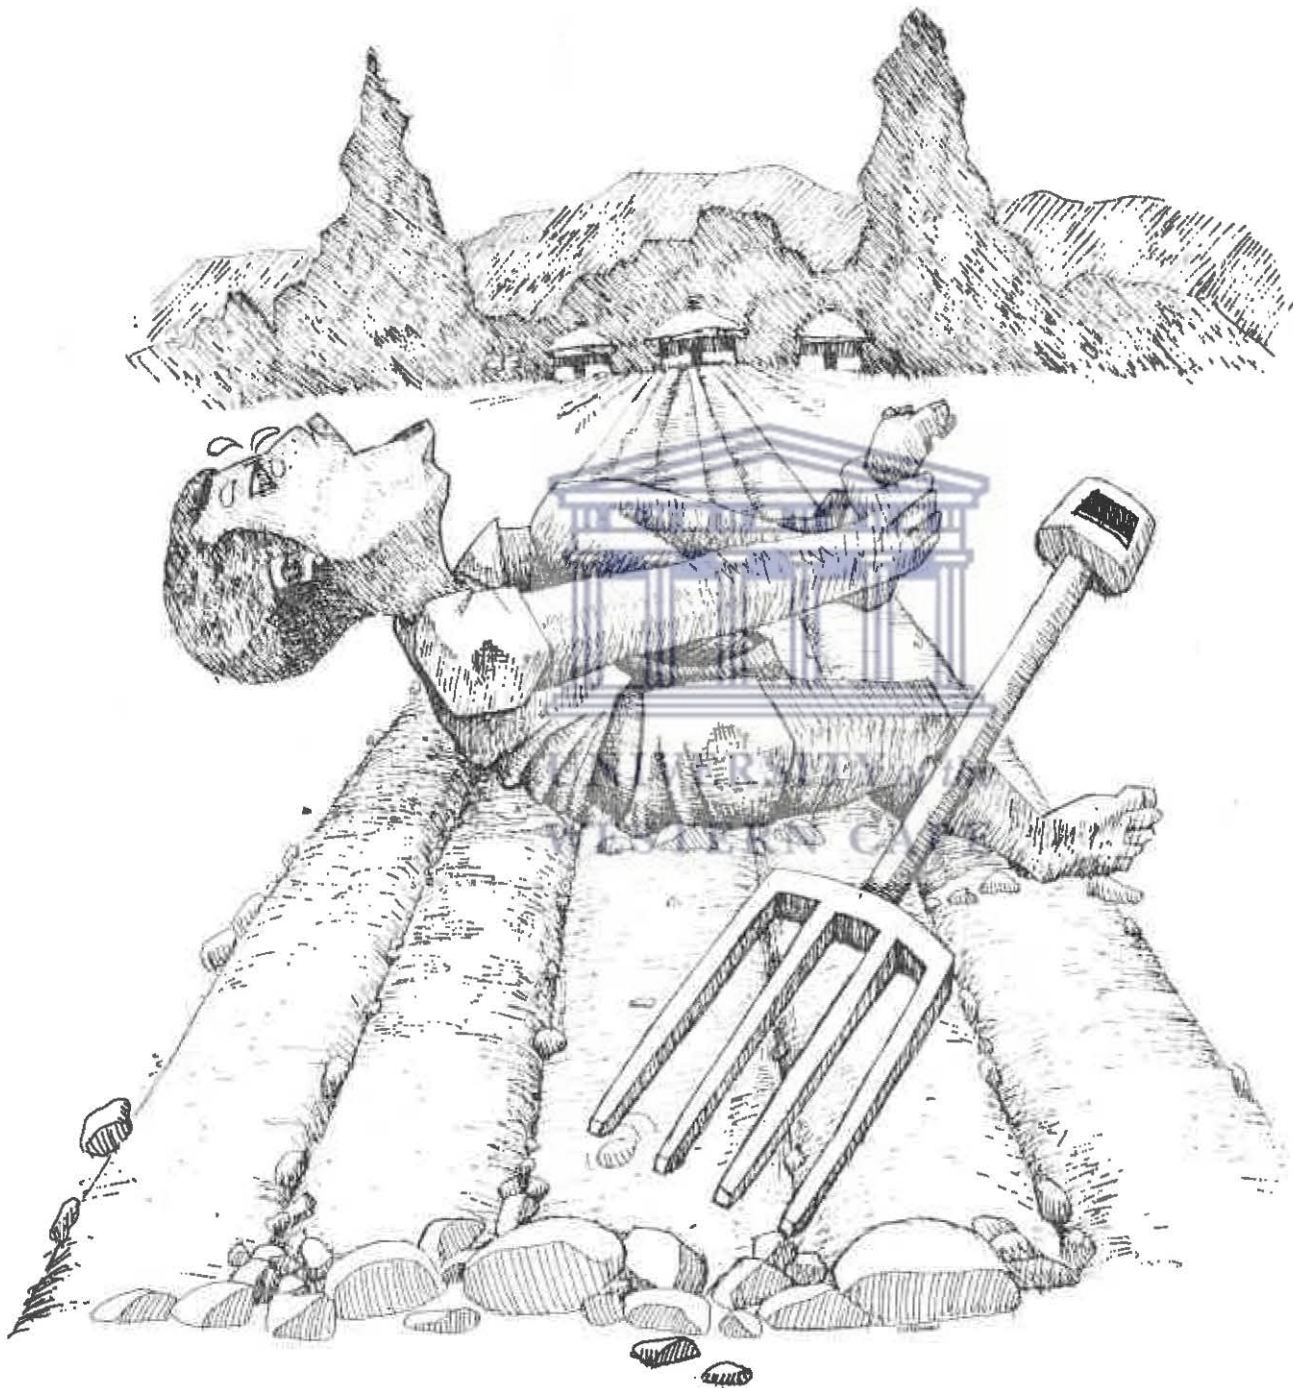

Babe waSitsembiso bekungumuntfu lotsandza ingadze.
Engadzeni yakhe bekalime tilimo letinyenti. Bekahlanye-
le emabhontjisi, ematomatishi, liklabishi, amazambane kanye
neticadze. Bekahlanyele naletinye nje tinhlobo tetilimo.

Babe waSitsembiso abenetintfo letinyenti labekasebenta
ngato engadzeni. Abenemfologo lenkhulu, nelifosholo, neli-
hhaligi kanye nelipiki. Bekukhona nelibhala. Libhala
bekatfutsa ngalo umhlaba, nencuba kanye nematje.

Sitsembiso bekangumfana losemncane. Naye bekatsandza
kusebenta engadzeni. Bekatsandza kusebenta ngetintfo teyise.
Bekatsandza kutsatsa imfologo yengadze alime ngayo. Sitsembiso
bekangakwati kuyiphakamisa kahle imfologo. Beyimesindza.
Uyise bekamekhuta njalo atsi, "Yekela Sitsembiso utakulimala."
Sitsembiso abenenkhani yesicoco. Bekayiyekela imfologo
kuphela nakabona uyise aphetse indvuku.

Ngalelinye lilanga uyise waSitsembiso wahamba waya
esitolo. Bekayekufuna inhlanyelo. Nenina bekangekho ekhaya.
Bekavakashele kamakhelwane. Ekhaya bekusele Tfobhi na
Sitsembiso. Tfobhi bekasendlini. Bekatsanyela, apheka, enta
naleminye imisebenti.

Utsite asasebenta Tfobhi weva Sitsembiso akhala kakhulu. Wakhala shangatsi kukhulu lokwentekile. Waphoseka ngephandle Tfobhi ayekubuka Sitsembiso kutsi udliwa yini. Nenina wa-Sitsembiso wasiva leso sidvumo. Waphuma angakavalelisi kama-khelwane. Namakhelwane naye walandzela. Naye bekafuna kubona kutsi ngabe Sitsembiso udliwa yini.

Bakhandza lunyawo lubovu hhwe ingati. Sitsembiso sewukhal shangatsi uyabulawa. Utsi nakabona ingati akhale kakhulu. Unina wabuta Tfobhi kutsi kwentenjani. Tfobhi watsi naye akati. Watsi bekatsanyela endlini wasewuva Sitsembiso akhala. Watsi usola kutsi utilimate ngemfologo.

Tfobhi bekakhuluma licinisa. Sitsembiso bekatihlabe ngemfologo. Litinyo lemfologo langena lashona. Bekunengodzi lomkhulu elunyaweni. Lonkhe lunyawo belubovu ingati ngisho netintwane.

Make waSitsembiso watsi, "Maye awuva wena Sitsembiso. Uyihlo ukutjela njalo kutsi utawulimala, kodvwa awuva. Uyabonake manje? Salakutjelwa sibona ngemopho."

Unina waSitsembiso waya naSitsembiso emantini. Walugeza lunyawo lwakhe wasusa ingati. Wasubopha linceba ngesichibi lesihlobile. Unina wasuhamba naSitsembiso uya kudokotela.

Kusukela ngalelo langa Sitsembiso wacala kulalela nakatjelwa intfo. Kusukela lapho Sitsembiso wakhawula kuganga ngemfologo. Ingani kubona kanye kubona kabili.

LIBHUBESI NACHAKIJANA

Kwesukela Chakijane. Ngalelinye lilanga abelambe kakhulu. Bekahambahamba nje afuna langakudla. Utsite asahamba nje weva kunuka lusi lwenyama. Wema. Waphakamisa imphumulo afuna kuva kutsi lolusi luchamuka ngakuphi. Wanele waba nelicinisa nje wahamba waya ngakhona. Bekahamba esikhotseni. Utsite kuhambahamba wasewuchamukela emtini welibhubesi. Walikhandza lisebenta libhubesi. Belakha umuti walo. Chakijane wabona umlilo. Emililweni bekubekwe imbita. Eme lapha khashane Chakijane. Kantsi leliphunga lelimnandzi beliphuma kulembita lenkhulu.

Umi nje Chakijane sewumita ematse. "Sikhulekile Babe," kusho Chakijane. Libhubesi lagucuka labuka Chakijane. Lase litsi, "Nguwe loyo Mfana?"

Chakijane waphendvula watsi, "Ngimi Babe. Ngimi wena lowakhula silibele. Sisu semhambi asingakanani. Singangenso yenyoni. Siyakubonga sesutsi Babe."

Lahleka kancane libhubesi latsi "Solo wabanjalo wena nekutsandza kudla. Ake utekubamba nangu umsebenti utekungisita. Waphendvula Chakijane watsi, "Cha Babe kakusiko kutsandza kudla. Bengikhulekela nje. Phela umuntfu nakakhulekela usho njalo. Nami kungako nje ngitsi, "Sisu semhambi asingakanani."

Libhubesi latsi, "Suka lapha wena utsi angikholwe ngulolókushoko? Asewusiyekele ngesisu sakho lesincane ute kubamba lapha."

Awuke nembala ahambe Chakijane ayekusita libhubesi. Inhlitiyo yaChakijane yayingekho lapho emsebentini. Yayilapha embiteni lechaphatelako. Ematse abeseloku aconsa nje. Indlala nayo beseyibhokile.

Kutsite nasebasebente sikhatsi lesidze libhubesi latsi, "Akesiphumule Mfana. Sengidziniwe mine. Ngiyabona kutsi nembita yami seyilungile." Libhubesi lacondza etiko lephula imbita. Chakijane abesolo amita ematse.

Libhubesi lavula imbita laselitsatsa umgcwembe walo. Layikhokha yonkhe inyama layibeka emgcwembeni. Laselihlala phansi licala kudla. Inyama lenonile beyidliwa ngilo, leleyondzile liyiphosele Chakijane. Ematsambo nawo bekadliwa ngu Chakijane. Yaba buhlungu inhlitiyo yaChakijane ngoba yena bekadla ematsambo nenyama leyondzile kuphela.

Chakijane nelibhubesi rebafulela indlu. Bebafulela ngetjani. Chakijane yena abengekhatsi. Umsila welibhubesi bewulengela ngekhatsi. Nakabona umsila Chakijane watsi, "Lelibhubesi ngitakulilaya." Wabopha umsila welibhubesi wawuhlanganisa nensika yendlu. Libhubesi lalingakanaki. Lalingasoli lutfo futsi. Lalicabanga kutsi lidliwa ngemakululu nje emsileni. Latichubekela nje nekufulela.

Lelibhubesi levasihengatsi kukhona lolotsintsa imbita yalo latsi, "Kwentenjani na? Ngubani loyo lotenta mine?" Chakijane waphendvula watsi "Kute."

Chakijane wasewuyiphakela emgcwembeni yonkhe inyama. Wabaleka waphumela ngephandle. Lambona libhubesi. Latfukutse-la labhodla. Lasuka ngalelikhulu ligoso lifuna kwehla liyekudla Chakijane. Wahleka watibulala Chakijane watsi, "Ngubani lolomdlisa ematsambo?" Wadla, wadla Chakijane wasuyatihambela utiyela kakhe. Libhubesi lasala khona lapho etikwendlu. Libhubesi lahlala lapho late lafa libulawa yindlala.

Timpfungane teva kuchuma siswebhu nje. Tatsi bhu tibaleka.
Lajabula lafa lihhashi.

Ihhontji nayo yasuka yacondza khona. Yakhandza kunemsila
logobene. Yatsandza wona. Yabona kutsi umsila lomudze
utakuyesindza.

Tonkhe tilwane tanamba tayakulandza imisila yato.
Indlela yetilwane beyendlula emtini wembila. Imbila yona
beyilivila. Beyitsandza kuhlala ematjeni yetsamele sicelu.
Imbila seyibona logwaja endlula seyitsi, "Sawubona mzala."

Nalogwaja waphendvula watsi, "Yebo sawubona mzala."

Yachubeka imbila yatsi, "Ubongisita tsine mzala." Isho
lapho seyidzindza sililo. Logwaja watsi, "Kwentenjani wakhala
mzala? Ngibokusita ngani?"

Imbila yatsi, "Umntfwanami akaphili nani nani, angikase
ngalala busuku bonkhe. Butfongo nje angibati. Usite tsine
mzala ungihatsele umsila."

Umntfwana wembila bekaphile saka. Beyivilapha kuhamba.

Logwaja wasewutsi, "Kulungile mzala, sesiyakuva khona. Umntfwana aphile phela."

Wendlula logwaja wacondza embili. Kwase kwengca imbongolo. Beyihamba incutsancutsa tjani. Imbila yacabanga kutsi umzala wayo logwaja kungenteka akhohlwe. Yatsi ncono ilayete futsi embongolweni. Yamisa imbongolo yatsi, "Sawubona malume Madlebe." Yasho ikhala futsi imbila.

Imbongolo yaphendvula yatsi, "Sawubona mshana wami. ukhala nje kwentenjani?" Imbila yaphendvula yatsi, "Ase uphambuke malume ngilayete."

Imbongolo yala yatsi, "Ngijakile mine mshana, anginakuphambuka. Khuluma nje ngitakuva. Ufunani?"

Imbila yabika loko kugula kwemntfwana. Yacela kuphatselwa umsila. Emadlebe embongolo anyakata abuka etulu. Yatsi, "Kulungile mshana ngitakuphatsela. Hlala wena ubuke umntfwana."

Imbila yatsi, "Ngiyabonga malume. Sengetsembe wena ngobe nami ngiyawufuna umsila. Nakumzala logwaja ngilayetile."

Tendlula tonkhe tilwane tigijima. Nelunwabu lwendlula nalo lutfutfumela. Kwendlula nabokati. Lamuhla bakhohlwa kuhhwephana. Imbila yatimisa tonkhe tilwane. Yatibikela ngekugula kwemntfwanayo. Yatitjela kutsi ayikase yalala. Yaticela tonkhe kutsi tiyiphatsela umsila. Tonkhe tetsembisa kutsi tiyakuyiphatsela.

" Imbila yeswela umsila ngekuiayetela. " II

Tefikake tilwane tayikhandza imisila iminyenti. Tayikhandza ibekwe yafoliswa kahle. Bekukhona imisila lemidze nalemifisha. Bekukhona imisila lemikhulu nemisila lemincane. Atikhetsela emahashi. Tatikhetsela netimbongolo. Tatikhetsela timfene. Tatikhetsela netindlovu. Atikhetsela emabhubesi. Tatikhetsela netingwe. Tatikhetsela tinja. Batikhetsela nabokati. Kwaba nguleso naleso silwane sakhetsa umsila lowenetisa inhlitiyo yaso. Besitsi singawukhetsa besesiwugcume-ka ngemuva. Uhlale utsi ne. Sitibuke sitibuke. Sijabule kakhulu bese sikhohlwa ngumyaletso wembila.

Tilwane tabuyela emakhaya tigcwele injabulo. Umuntfu bekhona buso bato nje kutsi tijabulile. Betihamba titibuka imisila yato.

Imbila yabona imbongolo yendlula yatsi, "Maye mhle umsila wakho malume Madlebe." Imbongolo yaphendvula yatsi, "Nami ngisho njalo mshana wami."

Imbila yatsi, "Pho malume uphi wami?" Imbongolo yatsi, "Ungamangali mshana useta wakho umsila. Uta nemzala wakho logwaja. Uyangilandzela nje. Noma kanjani utakuwutfole."

Imbila yahlala yalindzela umzala wayo logwaja. Nempela wachamuka logwaja. Imbila yamamatseka nayo seyitakutfole umsila. Imbila yatsi, "Sewubuyile mzala?". Logwaja watsi, "Yebo mntfwanaketfu sengibuyile".

Imbila yatsi, "Maye uyetsaba wena ngemsila lomuhle kangaka." Imbila yaseyicala kujabha ngoba ingawuboni umsila wayo. Logwaja watsi, "Muhle vele mzala. Kuhle nangabe nawe uwutsa-ndza. Utawufika newakho umsila. Muhle sibili. Utawufika namalume Mpisi."

Ahambéke logwaja. Imbila imbuke ahamba azuba aze ayosi-
tsela. Imbila solo inelitsembe. Yahlala ilindzele malume wayo
Mpisi. Yatsi, "Ngiyati kutsi malume Mpisi uyangitsandza.
Utakuwuphatsa umsila wami."

Nembala yachamuka impisi. Imbila yatsi, "Malume ngiphutfu-
me. Sengivile nganzala logwaja kutsi umsila wami uta nawe
Uphi Malume? Kantsi nawe uwushiyile?" Impisi yatsi, "Umzala
wakho beka kulutsa. Ngiyabona kutsi uta nalabanye. Lindzela
nje ngoba bonkhe labanye sebayeta."

Tabuyake tilwane. Tonkhe tatijabule kakhulu. Tonkhe
tatinemisila. Letinye tendlule tintjikitisa imisila yato.
Imbila yatibuta tonkhe ngemsila wayo. Tonkhe tatsi umsila
wembila uyeta.

Sachamuka silwane sekugcina. Imbila beseyijabhile. Imbila
beseyineluvalo. Imbila beseyichachatela.

"Sawubona Matfutfumela," kusho imbila ibingelela lunwabu.
"Yebo Malayeta," kusho lunwabu luhleka. Yacansuka yafa imbila
yatsi, "Ukusho kubani loko? Uphi umsila wami? Batsite uta
nawe." Lunwabu lwacolisa lwasho nekutsi sekute umsila losele.
Lwatsi nelifosana lebelisele litsetfwe yihhontji.

Yajabha imbila. Yangena emgedzeni wayo ijabhile.
Inhlitiyo yayo beyibuhlungu. Yabona kutsi iyekele kutihambela
njengaletinye tilwane. Yabona kutsi kubi kulayetela.

EMASUPHAMAKETHE

Emadolobheni kudla kutsengwa etitolo. Lonkhe live lakitsi
linato titolo. Tibakhona dvutane nemigwanco. Titsengisa
konkhe lokudzingwa bantfu emakhaya. Tintfo letinjengemetjiso,
phalafini, liswayi, shukela, emafutsa, nalokunye.

Kunetitulo letinkhulu letitsengisa kudla. Leti kutsiwa ngemasuphamakethe. Lamanye emasuphamakethe atsengisa ngetingubo. Cishe wonkhe emadolobha akitsi anawo emasuphamakethe. KaManzini isuphamakethe lenkhulu ngu Dee Bee. EMbabane yi O.K. ENhlangano ngukaSikhonkhwane. Akhona nalamanyeke emasuphamakethe kulelive.

Isuphamakethe iphatsa konkhe lokudliwako. Iphatsa tinyama, timphuphu, tibhidvo, netitselo. Tinsipho tekugeza netekuwasha titfolakala lapho.

Kudla lokusesuphamakethe kuvama kugocotwa ngemaphepha. Lokunye kuba setikoteleni. Ngephandle kwetikotela kubhalawa live lesiphuma kulo. Letinye tikotela tiphuma eNyonyana. Letinye njalo tiphuma emaveni langesheya. Lokunye lokubhalwa ngephandle kwetikotela kuba libito lalolokungekhatsi esikoteleni. Kuyabhalwa futsi nekutsi kunganani loko lokungekhatsi esikoteleni. Kuye kute kubhalwe ngisho neliswayi kutsi linganani kulokukudla. Loku kubhala kulusito ngoba kulula nje kutsi utsenge sikotela utsi sembiva kantsi utawukhandza imfishi ekhatsi.

Lapha ngekhatsi esuphamakethe kuvama kukhandza kudla kubekwe kahle. Kubekwa emashalufini ngekuhlukana kwako. Tikotela letisesuphamakethe tibekwa ngekuhlukana kwetinkhaphane letiphuma kuto. Nangabe sekuphele konkhe emashalufini umnikati wesuphamakethe ufanele atsenge lokunye.

EMANTI

Kute siphile sidzinga emanti. Imitimba yetfu yakhiwe ngemanti. Ingati yetfu yakhiwe ngemanti. Nakungabate emanti imitimba yetfu ingoma. Umuntfu lonemtimba lowomile akakwati kuphila. Kungako nje sifanele kuwanatsa njalo emanti. Emanti lesiwanatsako kufanele ahlobe. Emanti langcolile enta tifo.

Siyawadzinga futsi emanti lanasiphekako. Kudla lokomile tekwaphekeka. Imphuphu nje siyihlanganisa nemanti sente lipalishi. Lokunye kudla kufuna kugezwa. Kugezwa ngobe kungcolile. Siyakugeza kucala singakakupheki. Tibhidvo nje siyatigeza. Nenyama futsi siyayigeza. Loku sikwenta ngemanti.

Njalo ekuseni sivuka sigeze. Umuntfu longagezi uba neliphunga lelibi. Emanti asusa insila. Emanti asenta sibukeke kahle. Sigeza netinwele tetfu. Sikame kahle sibebahle. Batali betfu bayajabula kusibona sihlobile. Nemathishe-la etfu ayasitsandza lanasihlobile. Ingcifinga kayitsandzeki. Umuntfu usuke afanane neluhlanya nakangagezi.

Ayasisita futsi emanti kuwasha tingubo tetfu. Nasidlalako tingubo tetfu tiyangcola. Sitifaka emantini sitiwashe. Kuwasha kungumsebenti lomatima. Siwasha ngemanti nensipho. Siyatsandza kugcoka lokuhlobile. Timphahla letingcolile titfwala tifo. Netingubo tekulala sitiwashe ngemanti.

Emanti siwatfola emifuleni netiyalwini. Emanti emfula awavami kuhloba. Bantfu bayageza futsi bawashe khona. Emanti esiyalu ahlobile. Emanti esiyalu amnandzi.

Emadolobheni emanti akhiwa empompini. Labanye bompompi bangekhatsi etindlini. Labanye bangephandle. Bantfu bemadolobheni abayi emfuleni. Abagezi futsi emfuleni. Tindlu tabo tinemanti.

Emanti empompi abuyaphi? Lamanti asuka khona emfuleni. Lamanti asuka khona etiyalwini. Kwakhiwa umgodzi lomkhulu agcogcelwe ndzawonye. Lomgodzi uba yindlu yemanti. Emanti afanele agezwe. Agezelwa kubulala emagciwane. Emagciwane ngawo latfwala tifo. Emanti agezwa ngemitsi yakhona.

Lukhulu lusito lwemanti. Nakute emanti kute nemphilo futsi. Sifanele siwaphatse kahle emanti. Nakungaphela emanti singaphela sonkhe.

BALIMI

Banyenti bantfu labangebalimi eSwatini. Balimi balima kudla emasimini phindze futsi bafuye netilwane.

Kunebalimi labalima kotini, ummbila, emabhontjisi kanye netibhidvo. Tibhidvo letilinywa ngebalimi eSwatini ngunati: ummbila, ngemabhontjisi, ngemaklabishi, ngemantongomane, ngemazambane, ngematsanga, ngubhatata, nguletisi, ticadze, nguphizi, sipinashi, ngemahhanyanisi, lishaladi, ngematamatizi, nalokunye.

Kunebalimi labangakuhlanyeli konkhe lolosekubalwe ngetulu, tibhidvo phela. Bona bahlanyela titselo kuphela. Titselo letihlanyelwa ngebalimi eSwatini ngunati: emahabhula, emaphopho, phayinaphu, mangoza nalokunye.

Labanye balimi bafuya tilwane. Letinye tilwane labatifu-yako ngunati: tinkhomo tekusengwa, tinkhomo tenyama, emadada, tinkhukhu, tihhontji, tiklabhu nalokunye.

Kuyenteka kutsi umlimi ahlanyele tibhidvo kanye netitselo. Ngalendlela angatfola konkhe kudla lokudzingwa bantfwabakhe.

Kuyenteka futsi kutsi umlimi ahlanyele tibhidvo kuphela. Letibhidvo angatitsengisa. Ngemali angatsenga late kona. Loku kungaba titselo nenyama.

Lomunye umlimi angalima titselo kuphela. Angatitsengisa titselo. Ngemali angatsenga late kona. Loku kungaba tibhidvo nenyama.

Lomunye umlimi angafuya kube kuphela. Inyama angayitse-ngisa. Ngemali angatsenga tibhidvo netitselo.

Balimi bakitsi kuyabasita kulima batsengise. Ngemali batsenga kwekugcoka. Ngemali batsenga tingubo tekulala. Ngemali batsenga emafanisha. Kantsi nafutsi bafundzisa bantfwababo ngemali.

Labanye bantfu bayavilapha. Abatilimi tibhidvo. Abatihlanyeli titselo. Abafuyi nemfuyo futsi. Tonkhe tibhidvo batitsenga emakethe. Tonkhe titselo batitsenga emakethe. Kantsi nenyama bayitsenga esilaheni. Bantfu labafuye tinkhomo bayatihlabela batfole inyama. Kantsi nalabafuye tinkhukhu batfola inyama etinkhukhwini tabo. Kwesukela inkawu nenhlanti lebekungebangani. Inhlantini bantfobantsandza na kakhulu bangehlukani. Belingashoni lilanga bangakavakashelani. Inhlanti beyiyitsandza inkawu. Beyiyitsandza ngoba beyiyitekela tindzaba letimnandzi.

Nako ke inkhosi yenhlanti seyigula. Umfati wayoke wayimikisa enyangeni. Inyanga yatsi kulula kugula kwayo. Yatsi idzinga kudla inhlitiyo yenkawu. Inhlantike yatimisela kutenta muhle enkhosini yayo. Yatimisela kuyakufuna inhlitiyo yenkawu. Loku yakubona kuyintfo lemalula nje. Ingani inemngani wayo loyinkawu. Nakanjani itakuyitfole inhlitiyo yemngani wayo.

Kubekuphelake inhlanti ihambe ivakashela inkawu. Njenge-nhlalayenta ihlale phasesihlahla ilalele tindzaba. Inkawu phela ngiyo leyayicoca onkhe emalanga.

Beseyitsike inhlanti, "Uyati mngani wami sengikwetayele kakhulu. Manje besengifisa kutsi uvakashela kami. Ngifisa kutsi ubone inkhosi yami kanye nemndenani wami. Ngikhuluma ngawe njalo nje kubo. Ngiyati kutsi bonkhe bafuna kukubona."

"Maye kuhle loko, "kuphendvula inkawu. "Kepha pho ngitabohamba njani? Angikwati phela mine kuhlamba emantini. Ngingajabula vele kufika ekhaya kakho."

Inhlanti ijabule ife nayiva kutsi inkawu iyayengeka. Yabe seyitsi, "Nami ngiyati kutsi awukwati kuhlamba. Ngakoke ngitabokumema emhlane sihambe siye siyekufika ekhaya kami. Zuba khona nyalo ubambelele kimi."

Ngekuphatima kweliso inkawu yazubela emhlane wenhlanti yabambelela. Inhlanti ijabulile yahlamba idzabula tilwandle. Inkawu yona beyitse ne emhlane wenhlanti. Beyati phela kutsi kuphunyuka lapho kufa. Batsi nasebahambe libanga lelidze yacala yakhuluma manje inhlanti. Yatsi, "Ngikhohliwe kukuchazela kutsi ngifunelani kutsi ungivakashela. Angifuni kona kukumikisa emtini wami. Uyati, inkhosi yetfu iyagula. Manje inyanga itsite ingasindza nayingatfola inhlitiyo yenkawu. Sihamba nje ngikumikisa kuyo inkhosi."

Laphoke yaphose yafa luvalo inkawu. Ingani ikubona kahle kufa kusondzele. Yatama noko kungakukhombisi kwetfuka. Yabindza yacabanga umzuzwana. Yevakala seyitsi kulenhlanti, "Maye ngiyadzabuka mngani wami. Kufanele ngikuchazele kahle macondzana nenhlitiyo yami. Ngilapha nje angikayiphatsi."

Inhlanti yaphendvula ngekujabha yatsi, "Awu! utsini manje mngani wami? Usho kutsi inhlitiyo uyishiye emuva?"

"Ngisho njalo wena wakanhlanti. Uyabona tsine tinkawu asihambi sitfwele tinhlitiyo njalo. Yami inhlitiyo nje ngiyishiye le etulu esihlahleni."

Balimi bakitsi kuyabasita kulima batsengise. Ngemali batsenga kwekugcoka. Ngemali batsenga tingubo tekulala. Ngemali batsenga emafanisha. Kantsi nafutsi bafundzisa bantfwababo ngemali.

TINDLU

ESwatini bantfu bahlala etindlini noma kuboguca. Indlu kayifanani naguca. Indlu inkhulu sekunaguca.

Indlu yakhiwa ngasimende. Indlu ifulelwa ngemathayela noma ngelitjeboya. Tivalo tendlu tingaba ngetemapulango nobe kube tensimbi.

Kufanele indlu ibe nemafasitelo. Emafasitelo angenisa umoya nekukhanya. Umoya phela siphefumula wona. Kukhanya nako sikudzinga lanasenta imisebenti leyehlukene. Emafasitelo angakhiwa ngemapulango nobe ngengilazi.

Tindlu tiyendlulana ngebukhulu. Indlu lencanyana nje ingaba nelikhwishi kanye nelikamelo. Indlu lenkhudlwana ingaba nelikhwishi, indlu yekudlela, emakamelo lamabili kanye nendlu yekugezela.

Bantfu bayasitana nakwakhiwa indlu. Nguloyo naloyo uba nemsebenti wakhe lawentako.

Emadvodza lamanyenti ayasitana kwakha lubondza. Abeka titini atihlanganise ngasimende. Emadvodza ayasitana futsi kufulela indlu. Lamanye ahlalela kwenta siyilo sendlu. Kantsi lamanye ahlalela kuyimpenda indlu. Kunyenti lokunye lokwentiwa endlini nayakhiwa.

Kunemuntfu lotsite losebenta kupulasitela. Indlu ipulasitelwa ngekhatsi nangephandle. Naseyipulasitelwe indlu iyampendwa. Mpende wenta indlu ibukeke kahle. Indlu lengakampendwa ibate sitfunti.

Sewuyefika lomunye ufaka tintsambo tagezi endlini. Indlu yesilumbi phela ikhanyiswa ngagezi. Imisebenti lenjengekupheka kuayina nalokunye yentiwa ngagezi. Gezi unelusito lolukhulu ngisho netibhedlela.

Emanti aletfwa ngemaphayiphi endlini. Kuba nemuntfu losebenta kufaka amaphayiphi. Kukhona nemaphayiphi lakhokha emanti langcolile etindlini. Kungaba ngemanti laphuma ekhwishini noma endlini yekugezela.

Bonkhe labantfu labakhako bayabhadalwa. Kwakha indlu kudulile. Tintfo tekwakha indlu tidulile. Emathayela adulile. Emafasitelo adulile. Nako konkhe nje kwekwakha kudulile.

JAKALAZI NALICHUDZE

Kwesukela, ngalelinye lilanga Jakalazi alambile. Waphuma-ke wayakufuna langakudla. Nango sekahlangana naLichudze.

"Maye mine nginenhlanhla. Sengitakudla nangu Lichudze," kusho Jakalazi ajabulile. Ingani phela ulambe ufile. Lichudze bekafihle inhloko yakhe phaseliphiko. Nango Lichudze sekakhluma.

"Musa kungibulala Jakalazi". Inhloko wachubeka nekuyifihla. "Musa kungibulala tsine", asho atincengela. "Ungalibulala njani lichudze lelite nenhloko".

Wamane wamangala nje Jakalazi. Kodvwa ngabe uva mihlolo mini. "Iphi inhloko yakho yeLichudze?" Lichudze waphendvula watsi, "Inhloko yami iyagula. Ngiyimikise esibhedlela kumuntfu lolungisa tinhloko. Utakuyibuyisa khona manje. Uyakube sewuyangibulalake".

Seloku etfuke njalo Jakalazi, tiga taLichudze. Abute, "Uyijube njani kodvwa inhloko yakho yeLichudze". "Awu kumalula nje loko. Nginike Logwaja lizembe ngatsi akangijube. Ngibese sengiyimikisa esibhedlela kumuntfu lolungisa tinhloko. Ngita-buva buncono nakubuye inhloko yami". Lichudze ukhuluma nje uhleka kancane.

Jakalazi wacabanga kutsi Lichudze ukhuluma licinisa. Ingani uyatibonelanje naye. Lichudze ute inhloko. Jakalazi akambulalanga Lichudze ngalelilanga.

Ngelilanga lelilandzelako ahambe Jakalazi ayekufuna tinkhuni. Nango Lichudze futsi achamuka. Uta unenhloko yakhe nje kahle.

"Lichudze sewuyitsetsephi futsi inhloko," kubuta Jakalazi. "Lamuhla ngitakumbulala Lichudze. Sengidziniwe kuyengwa nguye."

"Sawubona Jakalazi," kwasho Lichudze ngebuchalachala lobukhulu. "Uyabona yini kutsi senginenhloko futsi. Sengitiva ngincono manje. Mikisa yakho nawe inhloko esibhedlela."

Ngebulima Jakalazi wayengeka. Uyayibona nje inhloko yaLichudze. Ikuye, iphilile futsi.

"Kulungile Lichudze ngisite ungijube inhloko nami." Nango Lichudze atsatsa lizembe amjuba inhloko Jakalazi.

"Awusenongibulala manje Jakalazi," kusho Lichudze ahleka kakhulu. Ingani Jakalazi phela besekafile.

GUCA

Kulelive leSwatini bantfu bahlaba kuboguca. Loku kutfolakala etindzaweni temakhaya. Esilumbini bantfu bahlala etindli-ni phela.

Tindlu tēsiSwati tehlukena kabili. Kukhona lolokutsiwa nguguca. Kukhona futsi nalolokutsiwa lilondo. Asilati kutsi lavelaphi lilondo leli. Sesinalo natsi eSwatini. Sewukhandza umuntfu alakhe kahle. Ngalesinye sikhatsi asebentise simende. Nesiyo sakhona sibe ngusimende. Ukhandze sekugcwebe nefani-sha nje bo. Sekukuhle sibili.

Guca nguye loyindlu yesiSwati. Wakhiwa njani kodvwa guca? Ufanele kulungisa indzawo lapho ufuna kumbeka khona. Loku ukwenta ngekujuba tihlahla. Tjani nabo buyasuswa.

Ulungisa indzawo nje setigawuliwe tintfungo netigcobo. Kusuka lapho sewumba tigodzi. Ngiyo lemigodzi lotawufaka kuyo letigcobo netintfungo. Tintfungo tifanele tibetindze kute tikwati kuphiceka nasekwakhiwa. Tigcobo tona tibe timfisha nje. Tifakelwa kucinisa guca kutsi angapheshulwa ngumoya. Nasetifa-kiwe tintfungo netigcobo kwenta sibaya.

Kuye kutsi lanasetigotjwa tintfungo tiboshwe le etulu. Kusetjentiswa tintsambo nakuboshwa. Kufanele tintfungo tihlangane ticine. Ingani phela loguca ufute kuhlala sikhatsi lesidze.

Nasetilungiswe kahle tintfungo sekufanele kufulelwe. Kufulelwa ngetjani. Bomake labalungisa tjani. Tjani busikwa ebusika. Busuke phela sebuyutsiwe ngalesikhatsi. Busuke sebubudze bulungele kufulela. Nekufulela kwentiwa bomake.

Bungakafuleli tjani buyahlungwa. Kwentelwa kulahla tjani lobubi. Kwentelwa kukhetsa tjani lobuhle. Buphoswa etikwaguca tjani butitfungu. Titfungu titfukululwa nguloyo lofulelako. Uyabendlala kahle tjani etulu. Uyabesewutsatsa tintsambo uyabubopha futsi. Buboshwa buhlanganiswe netintfungo. Buboshelwa kutsi bungemuki nemoya.

Tjani buboshwa kahle buye bufike engcongwaneni. Ingcongwane isetulu esicongweni. Kufanele igigwe ngetintsambo letelukiwe. Letintsambo telukwa bomake. Ingcongwane futsi igigwa bomake.

Angaphela kwakhiwa guca sewuyayilwa kahle phansi. Kuyila kwentiwa ngesidvuli. Sidvuli senta siyilo sicine. Nasekuyiliwe sekungasindvwa. Kusindza kwentiwa ngebulongo. Kungasindvwa suke sekuphele konkhe. Bantfu sebangangena bahlale. Phela guca angakhiwa aphele ngelilanga.

Umuti uba naboguca labanyenti. Lomunye guca uba wakagogo. Lomunye abe wababe. Lomunye abe lidladla. Tintfombi tiba nenstanga yato. Emajaha abe nelilawu lawo. Kuyenteka kube naguca longahlali muntfu. Loyike kuba ngewekulalisa tihambi netivakashi.

SIFUNDVO 20

TINGOTI

Ake sicoce ngetingoti. Tingoti tiyimihlobo leminyenti. Letinye tingoti sitenta tsine ngekwetfu. Encenye sentiwa kungatincineli. Encenye sentiwe nakuganga. Tikhona letinye letisivelela ngesiphosiso. Loluhlobo lwetingoti alukavami.

Kute singehlelwa tingoti kungakafaneli, kufute sati kutsi tsine singatisita ngani. Kulenzaba sitawufundza ngekuncinela ingoti yemoto. Lenzaba kukhulunywa kakhulu ngayo emakhaya. Nasemsakatweni bantfu bayafundziswa ngetingoti.

Bunyenti betimoto abulingani kutotonkhe tindzawo. Emadolobheni tinyenti kakhulu. Etindzaweni letingephandle atitinyenti. Kodvwa nobe kusedolobheni nobe kusemaphandleni timoto kufanele tibobonwa. Minyenti imitsetso yemigwanco lefute kwatiwa.

Ingoti yemoto yimbi ngalckwendlulele. Ivamisa kumshiya achwalile umuntfu. Umuntfu ute afe anemlente munye. Nobe afe asaneliso linye. Kulokunye afe asajubeke yomibili imikhono.

Esikolweni siyafundziwa ngekuhamba emgwancweni. Uma umuntfu kunalakugibele uhamba ngesancele njalo. Lohamba ngetinyawo ufanele ahambe ngesekudla. Loku kumsita ngetindlela letinyenti. Uma atawuhlangana nemoto, nesidududu, nelibhanyisikili uyakubona. Utsi angakubona besewuyesuka emgwancweni. Akumsiti umuntfu kutsi, "Ngihamba lakufanele ngihambe khona. Ayingikhweshele nayo imoto." Umcondvo webulima lo. Kute umuntfu longaphika inkhanyisi nemoto. Kufa umuntfu kusale imoto.

Labanye bafana bayatsandza kugibela emaloli ahamba. Umshayeli usuke angaboni kutsi kukhona logibele. Banyenti bafana labawa bafe ngalokuganga. Bafana yekelani lomdlalo lomubi.

Kunalomunye umdlalo lotsandvwa bantfwana. Nawo lo uyingoti. Bantfwana bayaye babone imoto lendzala. Abayati nekutsi yema nini. Lenye usuke seyabate nemasondvo. Lamanye emafasitelo asuke asafa. Labantfwana bangena badlale. Badlala yonkhe imidlalo ngekhatshi kulemoto. Bayakhohlwa kutsi imoto lendzala leseiyafa. Bayakhohlwa nekutsi nenyoka ingavuka khona lapho. Ingani sesikhotsa lesi.

Kunebantfu labanalomunye nje umkhuba. Nalabanye labadzala bayakwenta loku. Bantfu bahamba babe banyenti. Bahamba batsi saka emgwancweni. Itsi ingachamuka imoto betfuke. Babaleke batsi saka emgwancweni. Imoto kuba ngiyo leswela kutsi ishonaphi. Labantfu ubakhandza baphambana emgwancweni. Lo uya le. Lomunye aye le. Kuhle bantfu bahambe ngesandleni sekudla. Kuhle bantfu bahambe balandzelane. Kufanele umuntfu ahambe ngendlela yekutsi timoto tingaphambana timacondzana naye kodvwa tingete tamshayisa.

Imoto iyingoti kakhulu ebusuku. Uma ikhanyisile wena uyashesha kuyibona. Kodvwa yona ayisheshi kukubona. Wena uyibona isele khashane. Kantsi yona ikubona sewukhona la. Ungacabangi kutsi njengoba sewuyibona nje nayo seyiyakubona. Kufanele ukhweshe uphume emgwancweni.

Tinyenti tingoti tetimoto. Asikwati kutibala siticedze tonkhe. Nike nababona bantfu bagibele emalolini. Beva kahle nabemile. Kantsi kuhle kuhlala phansi utinte. Phela uma lelo- li igijima kakhulu ungawa. Futsi nayifika esikhinsini ungawa. Nawuwa awuweli ngekhatshi njalo. Kungenteka uwele ngephandle. Umuntfu losuke awe kanje uyafa. Uma angakafi uphendvuka sichwala. Sonkhe siyakwesaba kufa. Sonkhe siyakwesaba kuchwala.

SANGOMA

Sangoma ngumuntfu lobhulako. Sangoma siba nesiyendle. Sangoma sigcobisa libovu ebusweni. Enhloko setfwala tinyongo. Tinyongo kuba ngetetimbuti. Letimbuti titfolakala ngemuva kwekubhula.

Esandleni sesangoma kuba nelishoba. Bantfu labanukwako bashaywa ngalelishoba. Labanye bantfu batsi sangoma luhlanya.

Sangoma sicala ngekungenwa lidloti. Kuyaye kutsiweke
sangoma sesiyetfwaswa. Lasangoma lesinje basibita ngelitfwala.
Sangoma lesilitfwasa ngulesisuke sisafundzela kabhula

Tangoma tikhetsa kudla. Atidli konkhe nje. Lokunye kudla.
tiyakutula. Tangoma titila tinhlumaya, mngomeni, lijoti
nalokunye. Kutsiwa sangoma lesidla tinhlumaya siyaphupha.
Siba tiga nje sehluleke kubhula.

Bantfu labanyenti nababhula esangomeni kutsiwa ngumhlahlo.
Phela sangoma sisuke sihlaala timfihlo.

Lidloti alikhetsi nalingena kumuntfu. Lingena kulomsikati
nakulomdvuna ngekufanana. Letinye tangoma tiba nemiyeko
lemnyama. Letinye tiba nemiyeko lebovu. Labanye batsi imiyeko
lebovu imele lidloti lemfati. Imiyeko lemnyama imele lidloti
lendvodza. Asilati licinisa lalenzaba.

Umuntfu uyabonakala nakangenwa lidloti. Lomunye uvama kufuna kuhlala yedvwa. Lomunye njalo avamise kukhala kungakona nakali lutfo. Lomuntfu umikiswa kuyakutfwasa. KaNgwane kunemakolishi ekutfwasisa tangoma. Umuntfu losabuya eKolishi usuke asasangoma lesiphelele.

TILWANE

Tilwane titinhlobo letinyenti. Imitimba yato kayifanani kantsi nenyama yato kayifanani. Kunetilwane letincane letingangakati, naletinkhulu letingetulu kwenkhomo. Letinye tilwane tiyadiwa. Letinye tilwane katidliwa.

Tilwane letiyingoti kakhulu ngubhejane, libhubesi kanye nengwenya. Libhubesi, nengwenya naletinye tilwane katimane timsukele nje umuntfu. Tivama kulindzela kucalwa. Bhejane yona walibala ngobe kuba kukubona nje sewuyakucosha. Lumphondvo lwakhe lolusekhaleni luyesabeka.

Tinyamatane letinyenti tidla emacembe etihlahla. Timbuti netimvu nato tiyawadla emacembe etihlahla. Tidla netjani futsi. Ingwenya yona idla bantfu kanye naletinye tilwane. Ingwe nayo idla tilwane letinye kodwa nayise yanatsa ingati yemuntfu ifuna yona njalo nje. Isuke iyekele kutingela tilwane bese itingela bantfu.

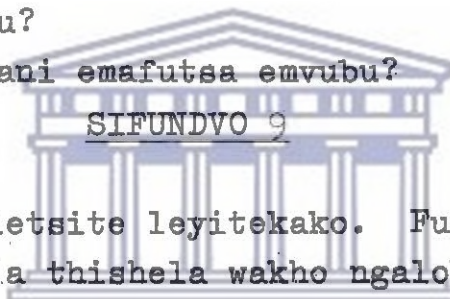

Imvubu ihlala emantini yona. Inyama yemvubu inone kufanana neyehontji. Tinyanga tiyawasebentisa emafutsa emvubu. Tenta imitsi yekwelapha.

Lesilwane labatsi inyatsi sifanana kakhulu nenkhomo. Lidvuba lona lifanana nembongolo, lehluke ngemishi lelekuwo wonkhe umtimba walo.

Tonkhe tilwane tinemisila kanye neboya. Imbila kuphela lete umsila. Phela yona yeswela umsila ngekulayetela.

A. Phendvula lemibuto ngemisho lephelele.

1. Ngutiphi letilwane letimbili letihlala emantini.
2. Ngutiphi letilwane letidla bantfu?
3. Ngusilwane bani loloneluphondvo ekhaleni?
4. Ihlalaphi imvubu?
5. Tinyanga tiwentani emafutsa emvubu?
